

STAFF AUDITOR I

PS 25 - 27 \$88,506 - \$94,609

THIS POSITION IS AVAILABLE TO BERMUDIANS ONLY

Applications are invited for the position of **Staff Auditor I** in the **Office of the Auditor General**. The successful applicant will perform audit work under the close supervision and direction of a Senior Staff Auditor or Audit Manager on a portfolio of audits under the Audit Act 1990 and other relevant legislation, in accordance with Canadian Auditing Standards promulgated by CPA Bermuda, rules of professional conduct and Office policies and practices. As experience is gained, and the postholder progresses with courses, work of increasing scope and complexity and decreasing supervision will be assigned.

Staff Auditor I is a training position designed to facilitate training and progression of students through either the Chartered Professional Accountants of Canada or the Certified Public Accountants professional examination programme.

The successful candidate should possess a university degree that is acceptable as a prerequisite to becoming a registered student of Chartered Professional Accountants of Canada or a State Society of Certified Public Accountants in the United States. In addition, the candidate must meet the prerequisite practical experience requirements of the chosen program.

The successful applicant must be committed to the goal of qualifying as a Chartered Professional Accountant or Certified Public Accountant and therefore must be motivated, disciplined and dedicated.

As a condition of employment, the postholder is required to enter into a student contract stipulating that the student shall take courses and examinations that the Auditor General deems necessary in the circumstances.

A working knowledge of Microsoft Office Suite software is desirable.

Interested persons should submit their resume by email to HR@oagbermuda.bm or on the Bermuda Job Board.
